Board Goals

Guiding Principles

We believe it is our district's responsibility to increase achievement for all students and narrow the achievement gap.

We believe all students need to be challenged with a broad range of learning opportunities.

We believe we need to provide prudent stewardship of district resources to best support student success, district stability, and high quality staff.

We believe in operating with a high level of integrity and honesty.

We believe our community's input is essential to our progress.

Board Goals

1. Increase unique learning with a robust program offering to grow passions in our students, and be a district recognized and distinguished for innovation.
2. Improve and maintain the educational platform to produce college and career ready citizens.
3. Develop and sustain active involvement in building respect and earning trust through engagement.
4. Develop and sustain a positive upbeat culture that promotes: hard work, progressive strategies, innovation, safety, creativity, fun and teamwork.
