¹A physician's certification may be required to support a request for family and medical leave. In addition, a fitness for duty certification may be required before reinstatement following the leave.

²'Family member,' for purposes of FMLA and OFLA leave, means the spouse, custodial parent, noncustodial parent, adoptive parent, stepparent or foster parent, biological parent, child of the employee (biological, adopted, foster or step child, a legal ward or child of the employee standing in loco parentis) or a person with whom the employee is or was in a relationship of "in loco parentis." Additionally, when defining 'family member' under OFLA (but not FMLA leave), this definition includes a grandparent, grandchild, parents-in-law or the parents of the employee's registered domestic partner.

³ 'Spouse' means individuals in a marriage including 'common law' marriage and same-sex marriage. For OFLA, spouse also includes same-sex individuals with a Certificate of Registered Domestic Partnership.

⁴ 'Next of kin' means the nearest blood relative of the eligible employee.
