Fitness-for-Duty Certification

(These instructions are not intended to be included with the certification to the employee – Delete this paragraph prior to review and posting for use.)

Instructions for use of this sample form: In order to condition an employee's return to work for the employee's own serious health condition on a Fitness-for-Duty Certification form, the district must have notified the employee in the Designation Notice that a fitness-for-duty certification would be required before returning to work. If the district did not require a fitness-for-duty certification in the Designation Notice, once an employee comes back, if the district has concerns (based on evidence, not speculation) about the employee's ability to perform the job, the district can get a fitness-for-duty certification based on the Americans with Disabilities Act Amendments Act (ADAAA), rather than FMLA and OFLA. Under OFLA, the district cannot obtain a second opinion for fitness-for-duty certification, and fitness-for-duty certifications must be sought pursuant to uniformly applied policy. The district must pay any out-of-pocket expenses paid to obtain a fitness-for-duty examination. This is a sample fitness-for-duty certification:
