The student with the second best seven semester accumulative grade point average shall be named 'salutatorian.' All students who achieve a seven semester accumulative grade point average of 3.2 or above shall be named 'graduate with honor,' and students earning a seven semester accumulative grade point average of 3.2 with a 3.5 in all CTE (Career Technical Education) courses shall earn the 'CTE graduate with honor' distinction.

Further, the Board authorizes the Superintendent to promulgate rules and procedures to fairly and equitably govern the selection and awarding process. These rules shall be published in the student handbook.
