

### **Individualized Plan for Pregnant and/or Parenting Teens**

The following rules in accordance with policy JFE shall be followed when considering the schooling for pregnant students:

1. A student identified as being pregnant shall be referred to the school counselor.
2. When the student's parents are not aware of the pregnancy, the counselor will encourage the student to inform the parents.
3. When the parents are aware of the pregnancy, the school counselor, student and parents shall meet to identify services available to the pregnant student (i.e. school nurse, county health department).
